

MATTHEW'S HOUSE MOMENTS

News

The Sweeney Singers

On December 21st the Sweeny Singers held their annual Christmas concert at Bakerview Church in Abbotsford. The Sweeney Singers are a family singing group with amazing vocal talent. They have been singing together for twenty-two years and have had three generations of singers in their group throughout the years. Their concert was by donation and this year they graciously donated their net proceeds to Matthew's House.

The evening was filled with wonderful Christmas songs and hymns and was followed by a delicious spread of desserts and treats for all in attendance.

Matthew's House would like to thank the Sweeney Singers for hosting the event and supporting Matthew's House. The night raised just over \$2000.00! Thank you to everyone who donated. Your support is much appreciated!

Casual Connections

On November 4th Vedder Transport hosted a "Casual Connection" for Chamber of Commerce members to learn more about their company, and their charity of choice, Matthew's House.

Business owners and chamber members were taken on a tour of Vedder Transport by the company's president, Fred Zweep, and learned about its history from the CEO, Larry Wiebe. Vedder also provided a delicious BBQ for everyone!

Bob King, from Matthew's House, gave a short speech on what Matthew's House will do for the community of Abbotsford and the Fraser Valley. Vedder is a big supporter of Matthew's House and throughout the evening they showed their involvement and challenged other businesses to get involved and help build Matthew's House. Thank you to the Chamber of Commerce members who attended the event and showed their interest in Matthew's House!

Thank You!

Matthew's House would like to thank the Eximus Real Estate Team. Eximus hosted a charity contest on their Facebook page where members could vote for their favorite charity. Even though we went into the competition three months late and only had one week to gather support, Matthew's House got the second most "likes" and won \$2000.00! Thank you Eximus Real Estate!

Matthew's House would also like to thank Jason and Darcie at Revival Arts Studio. Jason and Darcie are Abbotsford photographers who recently completed a coffee table book called *Imagine Kids*. The stunning book consists of photographs of kids from the community and all the sitting fees went to Matthew's House. Thank you Jason and Darcie for your continued support!

A big thank you to Mom Café Fraser Valley for choosing Matthew's House as their charity of choice!
